SUBJECT: Your Furniture Contributions to our Rummage Sale of April 14

Thank you so much for the generosity you showed Adopt A Block. I am certain the three vaults of furniture you gave us helped to make our Rummage Sale a great success!!

I would like to thank Peggy Hurley, your Executive Marketing Assistant, for the encouragement, information and assistance she gave to my staff. Thank you, too, for delivering and unloading the furniture free of charge. And your truck drivers arrived right on time!

Mike, thanks again for your kind support of our mission to help bring restoration to our city – block by block.

Sincerely,

A handwritten signature in cursive script that reads "Marlow Dunham".

President
