Hi Peggy and Dave,

Well your guys were FABULOUS! I have to tell you they were great to work with. They were at my mom's house in Wappingers at 10 minutes to 8:00 am. They were prompt, very efficient, VERY polite and very professional.

When they moved everything into my mom's new apartment, they were very helpful and went out of their way to help us.

The gentlemen who helped us were Robert, Ray and Damon!

I can't thank them and you both enough in helping my mom move, at such a difficult time. I will definitely recommend your company to all my friends!

Sincerely,
Leslie Colburn
