Mr. DeSantis,

Last Tuesday my wife and I hired Arnoff to move our belongings from West Point to Washingtonville, NY. We were moved By Declan Healy along with Trevitt and Dean. I just wanted to let you know what a fantastic job they did. These men were extremely courteous, professional and reliable. We were amazed at the great care they took with our furniture. Thank you very much for sending this great crew, they were worth every penny.

Sincerely,
