Subject: Thank You!

Greetings!

On behalf of the JCC Early Childhood Center Parents Committee, I would like to extend my heartfelt thanks to you for your participation in yesterday's "Touch-a-Truck" event.

The event was a great success. The weather could not have been finer, horns were honked, clickers were clicked, hot dogs were eaten and children and adults enjoyed making the rounds outside to explore the vehicles and inside for treats and valuable health and safety information. The helicopter landing and a lively karate demonstration generated quite a buzz of excitement among the crowd!

Your efforts, time and energy contributed greatly to the success of the day. I look forward to contacting you again next year.

Best regards,

Susan Smith
