Dear Mike,

I would like to thank you and the entire Art & Antique's staff at Arnoff Moving & Storage for your continued support of the West Point Museum. Over the years Arnoff has helped us in several large-scale projects to pack, transport and install a number of pieces from our prized collections. Your staff is always congenial, professional and capable of performing the job in an efficient and thorough manner.

I will continue to recommend Arnoff Moving & Storage for logistical support of the collections of the West Point Museum, and I endorse your services to other museums in the field. Thank you, again, for all that you and your staff do to ensure that our collection is handled with the utmost care and consideration during the moving process.

Sincere regards,
