We assess each unique piece and
provide you with options for
restoration to its original beauty.

Sometimes your precious pieces break or get
scratched, dinged or gouged.
Maybe they have lost the look
they used to have.

We are here to help!

When you need to repair, restore, or revive
your precious furniture, rely on the masters
at Atlantic Restoration – making masterpieces
new again for generations.

Atlantic Restoration provides estimates,
pickups, deliveries, and storage.

No job is too small or too detailed.

Our goal is to provide whatever services are
necessary to restore your furniture's beauty.
